News from Pre-School

The month of March began with having fun with St. Patrick's Day and ended with celebrating Easter. The children enjoyed following green footsteps in search of our mischievous leprechaun and were thrilled to discover the hidden pot of gold. Our Easter party was a great day! Along with a discussion about the true meaning of Easter, we celebrated with the traditional egg dying and looking for baskets filled with goodies.

April is our Community Helper month, and we are excited for all the visitors we will meet and the upcoming field trips. The end of the year is fast approaching! We are cherishing every moment we have left together creating lasting memories.
